MUAD RELEASE AGREEMENT

MUAD dataset is constructed by ENSTA Paris and Paris Saclay University of France. The Dataset is partly made available only for academic purposes. ENSTA Paris is serving as the technical agent for the distribution of the Dataset and reserves the copyright of all the images and subjective assessment results in the Dataset.

Any researcher who requests the MUAD dataset must sign this agreement and thereby agree to follow the document's restrictions.

The researcher(s) agrees to the following restrictions on the MUAD dataset:

1. The MUAD dataset will be used for scientific purposes and research only. Hence, researchers shall use the Database only for non-commercial research and educational purposes.

2. No Unlawful Use. The user of the MUAD dataset may not use datasets in a defamatory or another unlawful manner or in violation of any applicable regulations or industry codes.

3. No Standalone Use. The user of the MUAD may not use datasets in any way that allows third parties to buy, download, extract, or redistribute datasets (meaning just the datasets files themselves, separate from the project or end use).

4. No Use in Trademark or Logo. The user of the MUAD may not use the dataset as part of a trademark, design mark, trade name, business name, service mark, or logo.

5. ENSTA Paris and Paris Saclay University make no representations or warranties regarding the Database, including but not limited to warranties of non-infringement or fitness for a particular purpose.

6. Researcher accepts full responsibility for his or her use of the Database and shall defend and indemnify the MUAD team.

7. ENSTA Paris and Paris Saclay University reserve the right to terminate Researcher's access to the Database at any time.

8. If Researcher is employed by a for-profit, commercial entity, Researcher's employer shall also be bound by these terms and conditions, and Researcher hereby represents that he or she is fully authorized to enter into this agreement on behalf of such employer.
